Hey ya'll, apologies for the many messages on this. Just seeing this thread. I also sent an invite for a call on Weds at 8AM PST/11AM EST, which looks like will work for both Jonna and Jon. We would really appreciate if Peter could join and feel free to loop in Jim if he can make it too.

Yes sir, please excuse the mistype. Wednesday, January 25 is the date that was set and if convenient, the proposed date for the call with Jonna. Once James Desmond has replied with his preferred time, I will send call information.

Sincerely, LizC

Hi Liz,

The mission call was actually scheduled for January 25th at 10:30 AM. Is this the time we would speak to Jonna? If so, I am available either at 10:30 or 11:30 EST.

Cheers,

Jon

Greetings,

As the participation for the call between USAID + PREDICT scheduled for January 24 at 10:30am – 11:30am EST has been changed, will you be available for a call with Jonna at the same time?

January 24 at 10:30am – 11:30am EST / 7:30 – 8:30 PST

If the time is not optimal, we could adjust one hours later in the day to 11:30am – 12:30pm EST/ 8:30am -9:30am PST.

Please share your availability and I will send the call information.

Best, LizC
